

Murad Balazada

Frontend Developer

About Me

Hi, my name is Murad. I'm passionate and skilled Front-End Developer with over 1 years of experience in building responsive, userfriendly web applications. Adept at leveraging modern technologies and frameworks such as HTML5, CSS3, JavaScript, React, and Node.js to deliver seamless user experiences. Proven ability to collaborate effectively with cross-functional teams and clients to produce high-quality, scalable web solutions.
